COVID REMINDERS:

--- We ask that you PLEASE self check yourself and your player for any previous direct exposure, fever, or Covid like symptoms. We politely ask that if you have been in direct contact or are experiencing any symptoms to please STAY HOME!

---In an effort to socially distance we will ask everyone to please WAIT OUTSIDE when your team is not playing.

---If you are approached and asked to distance yourself or pull up your mask, we ask that you kindly, and respectfully cooperate. Future events depend on each of us doing our part.

---PLEASE DO NOT arrive earlier than 30 minutes before your match start time, and please do not come to watch friends play as your attendance could keep someone else out if our numbers exceed capacity.

TOURNAMENT STRUCTURE:

---Most teams will be playing in a 3 team pool on day one (play two different teams, 3 sets regardless, and ref once)

---After losing precious space at the Convention Center this format allows us to play the required number of sets, and by starting at 7:00am at some locations we will be able to get an extra wave safely through.
